Synopsis

Outlander: A Detailed Summary About This Book Of Diana Gabaldon! Outlander (Outlander Series Book 1) is a romance thriller written by Diana Gabaldon. It was published in 1991 and the same year it won the Best Novel Award of America. The novel tells us about love, sex, adventure, rivalry and duty. The story is full of beautiful roles played by the leading characters like Claire and Jamie. The novel carries sarcasm, satire and symbolism with which the author wants to convey her meaning. A full read is a must for literary-minded people. The narration and style of the novel is engaging and it provides a lovely read. Each chapter will keep the novel lovers engaged and thrilled. The character of Claire is multi-faceted. We do not know exactly what happens to her till we end the story. Thus, the whole episode is a pack of thrill and suspense. The novel represents culture and traditions of two different places. So, the novel is informative and gives us enough information about history of that time. It is hoped the readers will enjoy reading this masterpiece by Diana Gabaldon. Here is a preview of what you will get: In Dragonfly In Amber, you will get a detailed summary of the novel. In Dragonfly In Amber, you will find some analysis to strengthen your knowledge about the book. Customer Reviews

I have been watching the TV show Outlander on Starz, and am pretty much obsessed with it. I have read the entire series, and am now anxiously waiting for season two. The waiting is kind of getting to me, so I have been doing a lot of googling, and came across this summary of Dragonfly In Amber. This book was free to download with my Kindle Unlimited subscription, which was an awesome plus. I have been reading a lot of summary & analysis' on anything related to Outlander and the book series, and this is one of the better ones I have come across. The information was straight forward and easy to understand, and it was also short and to the point. I will be looking for more reviews by e-Summary on any of Diana Gabaldon's other books.

I don't know who the author of this summary was, but I question if they read the book. The spelling and grammar was horrible and they got the characters mixed up. I wanted to get out my red pen and make corrections as I read. For example they talk about how Jamie paid Claire a compliment and then in the next paragraph says that they had a lot in common like cooking and pregnancy. It obviously refers to Jenny, but it's Jaime's name that is used. Another example is that she rides with Dougal looking for Jamie when it was Murtagh. and then they say that Dougal tells Jamie that Jamie is to be hung. Huh? There are key plot points that are either totally ignored or glossed over - for example the details of Claire's rescue from Randall or Jamie's escape from Wentworth Prison. Frankly, I have seen better summaries written by my high school students! A better summary can be found in the Outlandish Companion written by the author herself.

This is the most easy to understand and perfectly written summary version of the Outlander I've ever read. I've tried to read a summarize version of this novel before but I didn't like it because it lacked the essence of the original version but this book is different. It is indeed an amazing summary book to read and I highly recommend it; kudos to the author.

Reading this book was just a beautiful, wonderful journey. I can't quite describe my feelings after finishing. Blissfully content at having a happy ending for once, glad for no cliffhanger. The characters are just so real and flawed but that just makes me love them, and their romance, even

more. But still yearning for more Jamie and Claire.

Not really a good summary for Outlander stories. I think there are many details and important scenes that were not emphasized well. I am not that disappointed since it was a free book. The price is good for its worth. Just need deeper thoughts and book will be ok.

I have spent most of my life avoiding "romance" books, since I consider them to be a complete waste of time. They actually suck intelligence out of your brain as you read them. That being said, I wholeheartedly enjoyed this book. I don't believe that the books should be classified as "romance," because the characters are too realistic and the historical details are too enjoyable. Thank you to the author for sharing this book.

I thought the information in this summary did not come anywhere close in describing the excitement I felt in reading the book. The summary was pretty boring and should have been proof read for grammatical errors prior to publishing. I hope that future readers of The Outlander do not read this summary first, as it is poorly written and may prevent new readers from reading The Outlander series.

Abysmally written, leaving out hugely important events or concepts, failing to tie important story aspects together, sounds like a homework assignment for an 8th grader whose first language is not English.
