Caribbean Islands Cruising Guide - American Version: For American Boats

Synopsis

his version of the popular "Caribbean Islands Cruising Guide"™ is for sailors coming from the USA or Canada and heading into the islands for a season or longer. All the routes are geared to Southbound Yachts. The American Caribbean Islands Cruising Guide details exactly the best and easiest route from Florida via the Bahamas, Turks & Caicos, Dominican Republic to the US Virgin Islands. The gentle way of going to windward without stress! The Caribbean is probably the biggest and best cruising ground in the world. Wonderful climate, beautiful islands, nice people and for the most part very inexpensive. How to get there - how to get home - details of all the Island groups and anchorages. Pictures and chart details together with descriptions of the islands. Pictures, charts, distances, links to marina's and facilities, weather and places to visit and what to see.....
