The Slow Burning Love Of God (Klemp, Harold. Mahanta Transcripts, Bk. 13.)

Synopsis

Jacket Copy What happens to those first bright flames of your most profound spiritual experiences? Most of us have known some kind of religious conversion, dramatic shift of consciousness, out-of-body experience, or renewed spiritual awareness. You know what you've found is real, but as the intensity fades, you wonder. Are you left with only dying embers? Or do you discover the long-last, slow burning love of God? You will, as you keep giving of yourself. This is how love endures. In *The Slow Burning Love of God*, the thirteenth book of The Mahanta Transcripts series, you'll find simple, true-life stories, unique insights, and more than thirty different techniques to show you how to experience the presence of God in your life. Move into higher states of consciousness, see truth when it comes to you, solve problems, and find your next spiritual step. The Mahanta Transcripts are excerpts from Harold Klemp's worldwide speaking tours. They offer study aids for greater spiritual understanding, and are an excellent introduction to Eckankar.

Customer Reviews

This book is a goldmine for all true seekers of God. The subtle lessons encased in stories from everyday life are the genuine food for Soul. I highly recommend this book for anyone who is seeking to strengthen their relationship with God. No matter what your religion is, there is something here for you.

To A. CUSTOMER: You must truly HATE Eckankar as you BASH every book by Harold Klemp no matter what. EVERY book has good and bad--some of Klemp's are better than others, some more

for members, some more for the public. To have God be a higher being than one who demands sacrifice is not a BAD thing. It is a logical one--as no true GOD would demand such and most religions still worship the vengeful guy.... Klemp is trying to RAISE public awareness to a higher note. To say "My God is better than your God" would NOT be understood and isn't the POINT. But to softly let people realize God is LOVE--that opens the heart and helps people no matter WHAT Religious teaching they follow. It RAISES awareness. And, while the glowing 5 star reviewers are usually members of his organization--you are a disgruntled person who bashes everything and that isn't TRUE either. You have cut and pasted this SAME review on many other books by Klemp too. I'm posting this hoping others recognize your ONE STAR reviews now under: A customer. I truly hope you find peace.

I have purchased this book many times. I like to have it available to give to friends and interested people. I choose this book over the many other wonderful books by this author, because several of my experiences are included in this book from page 101 to 111. I feel honored to have my experience shared. I have been told others have benefited from my stories.

This book is a goldmine for all true seekers of God. The subtle lessons encased in stories from everyday life are the genuine food for Soul. I highly recommend this book for anyone who is seeking to strengthen their relationship with God. No matter what your religion is, there is something here for you.
