Sestra has been a thrall, a slave, a servant all her life, and she is now a serving wench in an inn in Uppsala. She has been sold yet to another, and she will be leaving on the morrow, as will Brandr, it

turns out; he to Gotland. There is much political unrest in the kingdom of Svea in the year 1022: King Olof has been driven away from the throne by his son Anund Jakob, but worse, the vile Dane Gorm is set on usurping the throne. The Viking Brandr has been having a bit of fun since the summer teasing Sestra, but unlike other patrons has not touched her. That particular night, Sestra learns that Gorm has hidden a treasure on an island, and she knows where. Getting her hands on some money could buy her the freedom she secretly yearns for. Brandr, who is a scout for Lord Hakan, needs that treasure to stop Gorm from making his dastardly intentions a reality. Sestra takes one step on her path to freedom: she will accompany Brandr, and he cannot refuse; time is of the essence for Uppsala. What magnificence from the amazing Gina Conkle! I am a Scandinavian history buff, and TO FIND A VIKING TREASURE fills me with joy, awe, and complete happiness! Ms. Conkle's incandescent, vivid, and eloquent prose brings everything, and I mean everything, for Medieval Sweden to life, down to the tiniest details with startling historical accuracy: food, clothing; TO FIND A VIKING TREASURE is a Medieval Swedish feast for the eyes and the soul. I saw every gesture, every tree, and Brandr and Sestra became real people in my mind for a few hours. The chemistry and interactions between Sestra and Brandr sizzle and sparkle, the dialogues are just perfect, and here I must praise Ms.
