Prophecy (The Dragonfly Chronicles Book 1)

Synopsis

Serena Faw must shut out the barrage of thoughts from everyone around her. Her telepathic powers reveal the darkness and true intentions behind every false smile. When her adopted brother is accused of murder, the only man who can help her is the one person she cannot read. Can she trust him with the life of her brother? Can she trust him with her heart? Keenan Maclean is the younger brother to the new chief of the Macleans. A dark prophecy shadows him. One brother will live wed to a witch and one will die. Keenan is raised to defend his clan and die. Serena and Keenan hunt a loyalist murderer before the Battle of Culloden and fall in love despite the prophecy's warning that she heralds his death. This is a new release of a previously published edition.

Customer Reviews

THE DRAGONFLY CHRONICLES - Four powerful sisters, hidden through time, fighting for love and a chance to save the world. I had read about The Dragonfly Chronicles, it had intrigued me but I always had something else to read first. Astonishingly enough, when I saw Prophecy available on Netgalley, I did not put it all together.. And when I did I was so excited, as Prophecy is Book One in the Dragonfly Chronicles! Heather McCollum offers us an amazing story about well, life! Good vs Evil, defining yourself, accepting fate, NOT accepting fate, Fighting Evil, Standing up for what you

believe in, Love, Family, politics.. I said it was about life!Serena Faw was literally dropped into this world. Making a splash so it were! As a child of nine, Serena was blessed to have been found and loved by a Rom Tribe in England. Raised as one of them but always apart. Her gifts kept her separate.. and even love had escaped her because she always knew what the other was plotting. When Serena bumped into a void.. she was astounded to realize that it was a man she couldn't read. A blessing. Yet when the attraction between them begins to sizzle, Serena has moments when she wishes she was sure he wanted her for herself.Keenan Maclean was raised to die. Literally. A family prophecy said one son would die defending.. something and the other would marry a witch and bring the clan to peace. Since Keenan was the second son, his father declared that he was the one to die.. and he was raised accordingly. Always an afterthought.. Rarely loved or cosseted. But he grew up strong and true! Always putting the family first. Until he saw Serena dance and knew she was his.. something special that had been missing in his life.
