# Hunting The Whitetail Rut

## Synopsis

In *Hunting the Whitetail Rut* author Gary Clancy cuts through the myths, guess-work, and misguided information handed down from generation to generation of deer hunters to provide deer hunters with accurate, sensible tactics and techniques to help you put the biggest buck of your life on the ground. Learn the biology of the white tail rut from scraping phase through chase and breeding to the peak of the rut and then learn how to apply the skills of rattling, calling, use of deer scents and much, much more.
