#SCORE by Kerrigan Grant
 Kerrigan Grant delivers on another great story. This Sports Romance reads like no other. Benji is a soccer player in L.A. and out for a night on the town with his brother Cal, and Josh. He meets Ramona by accident, she's wearing her drink as proof. These two are not your typical pairing of H/ h. Despite this, the story works well- come along for the ride. The first night out with her is actually the continuation of the night of the drink bath she took. They have an adventure playing miniature golf after business hours and ran for their lives when they are discovered. After that, Ramona is thirsty so Benji finds there is a place near them called Molly Malone's. Benji sends Ramona to a booth far in the back while he goes up to the bar to order. He schmoozed a variety of foods from the woman (Sienna) and took it back to eat with Ramona. Before the adventure ended, they actually hitchhiked a ride in a van and Benji got to dip his toes in the ocean. Benji and Ramona got to talking about a great number of things. Benji made it his mission to get Ramona to smile. He even had gotten her laughing. They had quite an enjoyable experience and were going to his hotel room where things get a little bit more heated as soon as the door closed. They were quickly interrupted by a voice asking where he was, oops! He forgot he was not the only one bunking in the room. They part ways and she wishes him luck with his SuperDraft and says maybe she'll see him around if he ends up in L.A. She bales out of there so quickly, Benji didn't even have time to react.
