Pathfinder Adventure Card Game: Wrath Of The Righteous Base Set

Synopsis

The Abyss awaits! When the city of Kenabres is destroyed by a horde of demons, only you can save the world! In *Wrath of the Righteous*, the epic new Adventure Path for the Pathfinder Adventure Card Game, you will travel to the Abyss to battle the malevolent minions of the demon lord Deskari. Along the way, you'll become mythic heroes that rival the greatest legends the world of Golarion has ever known! The Pathfinder Adventure Card Game: *Wrath of the Righteous* Base Set contains more than 500 cards featuring a new set of boons for your characters to collect, and never before seen monsters and barriers of a decidedly abyssal nature; seven character classes, including the all-new arcanist, cavalier, inquisitor, and summoner; The *Worldwound Incursion* Adventure Deck, a 110-card deck that begins the *Wrath of the Righteous* Adventure Path; a complete set of six polyhedral dice, including the first d20 in the Pathfinder Adventure Card Game. Price Includes VAT

Book Information

Series: Pathfinder Adventure Card Game

Game: 500 pages

Publisher: Paizo Publishing Inc.; Brdgm edition (May 26, 2015)

Customer Reviews

I was kind of surprised when asked me to review the third incarnation of the Pathfinder Adventure Card Game a month ago. After all, it came out in late May and it arrived in late July. However, they (and Paizo apparently) really wanted me to cover the game for them in the same manner that I covered the original *Rise of the Runelords* and its expansions. I'll admit that even though I own all of *Rise of the Runelords*, I didn't think the game was good enough to get a second set (*Skulls & Shackles*, much less a third. It was a fun but heavily flawed game with a really poorly written

instruction manual and cards that often time just seemed thrown together to make a set without any flow or cohesion. Worst of all, the Pathfinder Adventure Card Game was like many Paizo releases â€” very overpriced for what you get coupled with a constant nickel and diming of their fan base. To complete an Adventure Card Game Set youâ€™ll need the box set and the next five deck releases. Thatâ€™s \$120 just to complete the storyline. If you want the extra characters AND the ability to have more than four players take part, thatâ€™s an extra \$20. Add in the MSRP \$60 price tag for the base set and that means to finish any Pathfinder Adventure Card Game set, you are shilling out \$200. Thatâ€™s insane, especially for a card game. Even games with extremely detailed miniatures and large boards donâ€™t cost that much. In truth, Paizo should be including the â€œCharacter Add-On Packâ€• with the core game and the price of the card decks should be \$10-15. The MSRP on these are insane and unfortunately, much like the actual tabletop products Paizo releases, this is par for the course. You can generally get better written, better made and cheaper in cost releases from contemporaries.

Playing Dungeons & Dragons style games requires someone to act as the dungeon master and direct the game play, The Pathfinder card game system replaces a dungeon master with a deck of cards allowing all players to play or allowing real solo play. Pathfinder enjoys a large established presence with a number of blogs that support play with discussion, advice and answers to questions. This is invaluable to the new player as a guide and teacher. D&D style games are NOT easy or quick to learn, their and a number of rules that need to be mastered. Additionally, a sequence of play is important along with an understanding of monsters, weapons, spells and any number of items. This game is no exception! You will need to study the rules, think and investigate to master this game. This is NOT a quick an easy game for casual play but a relatively in-depth dungeon crawl with a full story line, interesting characters where thought and planning will pay off. Someone said this is just flipping cards. Iâ€™m not sure they really got into the game or tried to understand play. You need to understand the abilities and limits of your character(s), quickly select a tactic to deal with monsters and take advantage of wins while dealing with setbacks. Overall, this excellent game works with a group or alone. Wrath of the Righteous is a base game, containing the items needed to play this game. The game contains one introductory adventure and the first installment of the Worldwound adventure. If/when, you buy additional items; you need to stay with the Wrath of the Righteous title. Currently, there are three base games available each a different adventure.
