## Synopsis

For fans of David Gemmell, Robert E. Howard, Robert Jordan, and Raymond E. Feist, the DEMONSOULED saga continues in a new volume. MAZAEEL CRAVENLOCK has defeated the Malrags, and returned to the Grim Marches in triumph. Yet with no new enemies to conquer, his Demonsouled blood threatens to blaze out of control. When a deadly new foe attacks, will Mazael rally the Grim Marches to victory? Or will he listen to the whispers in his blood and kill everyone who stands in his way? RIOTHAMUS is the apprentice of the Guardian, the arcane defender of the barbarian Tervingi nation. Driven from their homes by the Malrag hordes, the Tervingi must find a new homeland. Will Riothamus help lead the Tervingi to safety? Or will the Tervingi nation be destroyed to the last man, woman, and child? LUCAN MANDRAGON has returned from the spirit world, his magic and his will stronger than ever. His purpose is now clear, and a great mission lies before him, a quest to rid the world of a terrible evil. The utter destruction of the Demonsouled.

**ABOUT THE AUTHOR** Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works.

## Customer Reviews

I do enjoy this author. some typo's in books that spell check misses, like four, instead of for. nothing major. I do get tired of battle plans , battle scenes, battle. battle battle. the mage gets twisted in this. I had hopes for him to turn out better, but point is even best of intentions can be used for evil, its all about how you think.. lesson there folks! but really tired of this series, been reading it for endless books now. and time for a change of pace. each book is a stand alone. so I will return to rest of series in a year or so....nothing new in this book. just more of the same...

I really enjoy first book and the second and .... the third seems kind of this same as first and second. This is 5th book in this series and I really want to like this book but for me there was nothing new. I had a feeling like i read this same book just different names.

Yet again good versus evil, with the forgone conclusion of good winning, but not without many obstacles in the way. The Old Demon's web is far reaching and is still a way from its conclusion. A truly good read for a rainy day.

This is book 5 of the series and it is another excellent book from Moeller. This is one of my favorite series. The first book is free, I say try it for yourself. If you like Fantasy novels that are a bit different from the norm, this is definitely a series for you.

I finished this story last night and couldn't wait to read the next in the series. Each book is satisfying as a stand alone book but I find myself reading the series every chance I get, on my Kindle and on my cell phone. You can almost smell and feel the blood and dust of the fight scenes, Well written, I highly recommend it.

The Demonsouled saga continues with this story of old scores to be settled and other outside force threatening the family and heirs of Mazaël and the lands of the Grim Marches. It's a fast read written in a style I've become familiar with and expect with this series. Get this book, it's a good addition to your collection.

Soul of Sorcery picks up a short time after the end of the last novel (Soul of Dragon). It introduces a number of new and complex characters that add well to the story telling in the book. There is also mounting tension between the lords of the Grim Marches involving the tangled political and family ties of each. The book has the same dry almost casual story telling as the previous ones with roughly the same number of minor mistakes. It is overall excellent and contains a number of powerful, dramatic and sweeping changes to the storyline and the lives of the characters involved.

Getting frustrated with this series. The story is great but the number of mistakes in the writing/editing has ruined it
