Rescuing Harley (Delta Force Heroes Book 3)

Synopsis

Video game coder, Harley Kelso, thought a tandem skydive would help her make her latest game more realistic. Instead, it literally put her in the arms of the sexiest man she's ever seen. Geeky to the core, Harley is the polar opposite of big and burly Beckett, but that doesn't stop her from wanting to play more carnal games with the sexy soldier. When Beckett's "Coach" Ralston offers to fill-in at a friend's skydiving club, he doesn't suspect he'll meet a woman who will change his life—and he definitely doesn't expect her to save it. But that's exactly what happens when an accident mid-air forces Harley to land them both safely. She's earned Coach's complete gratitude, and even more, sexual interest—Until she disappears without a trace. With Harley missing, a happy ending might not be in the cards for the man who loves her—especially when he becomes the main suspect. ** Rescuing Harley is the 3rd book in the Delta Force Heroes Series. Each book is a stand-alone, with no cliffhanger endings.
