The Iron Knight (The De Russe Legacy Book 3)

Synopsis

1410 A.D. â “ Battle-hardened warrior and favored of the king, Sir Lucien de Russe is called the Iron Knight because of his indestructibility in battle. An older knight, Lucien is entering his fortieth year and has seen a good deal in his lifetime. But having sustained fairly serious wounds in the most recent rebellions against Henry IV, Lucien retires his sword and spurs, choosing to live out the rest of his life in peace. Physically, he is damaged goods and must heal. Mentally, however, he is already dead. Having lost his wife many years ago, Lucien has two children â “ a son who barely acknowledges him and a daughter who is a terror. Lucien finds no joy in life any longer, looking back upon an illustrious career, admired and loved by the fighting men of England, yet inside, he is hollow. It is this existence he has resigned himself to when the king, believing he is doing Lucien a great favor, pledges him to a very young heiress. When the girl and her father show up at Lucienâ™s home, he makes an escape. Riding to clear his head, Lucien runs right into a robbery in progress. A fine carriage has been set upon by bandits and Lucien knows he cannot turn away. Begrudgingly, the Iron Knight goes into action once more and saves the occupants of the carriage, a mother and her young daughter. Lady Sophina de Gournay is a widow, traveling to meet her intended. When the big, handsome knight with the long, dark hair saves her from the outlaws, a simple moment of gratitude turns into something that binds her to Lucien far more than either of them realize. Itâ™s that wonderful chance meeting, a chain of events is started that could destroy them both. Join Lucien and Sophina in a romance of a lifetime, where second chances at love are something worth fighting for.

Whenever I start a book penned by Kathryn Le Veque, whether as an audiobook or reading, I know I'm in for a good time. Her world of knights brings with it a wealth of events and figures of historical significance. As I finish the final paragraph of one of her books, whether in paper or audio, I feel enriched, sated, replete and awed. How can she make these characters and events so real, so touchable and potent? Her characters are always in dramatic living color; much like the woman herself. Kathryn Le Veque is one kick-ass writer! This read is about second chances. She has made it personal by these very words in her dedication: Dedicated to all of you who have had, or needed, a second chance in life. Even in the darkest hour, there is always hope. Take it from me. Our hero and heroine are both old. He's 40 while she's 37. In medieval times that was old, but nowadays we consider this prime, even on the young side. Our chances of a second chance and even a third are very good these days! Sophina, intelligent and beautiful, is caught between a rock and hard place. A place many women during this period in history find themselves. Her father, Lord Andover, a widow and remarried, does not want to continue taking care of his adult daughter and grand-daughter. He wants free reign with a new wife, hence his great need to unburden himself. St. Michael du Ponte was his choice, however, du Ponte was a man with his own agenda composed of greed. Du Pointe has an unsavory reputation, unbeknownst to Sophina. She knew she wasn't wanted at her father's home. She prayed she wouldn't be jumping from the frying pan into the fire with her betrothed. She also had her daughter Emmaline, sixteen years old, to consider. Lucien had his own problems.
