Customer Reviews

I received an ARC for an honest review. This is the first book I've read by Jenna Chase although I have read books by JB Duvane. I'm definitely going to be reading more. Erica is a flight attendant

and she is working on a private jet flying round trip to Tokyo. The owner is billionaire Malcom McDaniel who can't seem to take his eyes off of Erica. They begin a very hot sexy encounter and all of a sudden the plane starts descending rapidly crashing into the water and Erica disappears out of Malcolm's arms! Erica wakes up in the sand in the edge of the water. As far as she can see she's by herself. She climbs a huge rock and sees a man who's come out of the jungle. As she climbs down the rocks and runs to him, she realizes it's Brad, the pilot, her ex, and she's relieved that there's someone else alive. He had set the alert from the split front half of the plane and walked toward the beach. Subsequent chapters have Malcolm swimming from the downed back half of the plane to the island and meeting with Lainey, the other flight attendant. She had found the copilot dead but hadn't seen anyone else. A violent thunderstorm causes all four survivors to seek shelter under the rocky overhang where the two couples meet up, glad to have found each other, although Brad may be trying to move in on Erica again. Things are not happy in this paradise! Hah! Each survivor has tasks....but Lainey doesn't return and Erica is too worried to relax and is determined to go out to find her, even though Malcolm thinks it's too dangerous. Malcolm, Brad and Erica decide to all go out of the cave to look for Lainey but stay within site of each other and the cave. Erica finds Lainey returning from the plane because she remembered where it was and she has food, water, blankets and the beacon!
