Black Bears (Falcon Pocket Guides)

Synopsis

Black Bears presents readers with substantive yet easily digestible information on this widespread yet sometimes feared animal. Accompanied by numerous full-color photos of black bears in their natural habitat, this handy field guide makes an excellent take-home souvenir and reference for anybody interested in black bears.

Customer Reviews

Enjoyed the book: well written, helpful photos. The author is well educated on the subject and has had lots of experience with bears. I like that he avoids the scary folk tales and pretty much tells it like it is.

Very informative for a person with black bears in his own back yard.
