Customer Reviews

When she was fifteen, Christina Matteo was quiet and a little nerdy. The school hunks and drunks played a horrible prank on her that caused her parents to ship her away to boarding school; away from her family and her best friend, Jenny. She's no longer the insecure metal mouth and she has grown into a beautiful woman. She doesn't make a lot of money but enjoys her job as a photojournalist. When she spots Bill Havenwood 16 years later while on assignment all the hate and humiliation she felt at his hands comes rushing back. She decides to get back at the handsome rich boy and teach him a lesson; she plots "Her Perfect Revenge." But when she rear ends his Ferrari, the tables get turned and Christina gets in deeper than she ever thought. What stopped me from giving it five stars was I felt there was a bit too much deceit going on and for far too long. There aren't very many people in this story that aren't elbows deep in some kind of dishonesty and it got a little old after a while. I longed for the main characters to have a real discussion. All the deception caused a bit of repetition here and there. I also didn't like how one innocent character was used at the end as a pawn, it was unnecessary and none of the characters gave it a second thought. At times there were just way too many terms of endearment thrown around. Maybe it's just me, but all the darlings, my love, etc., seemed unnatural and a little too cheesy for this chick. Despite those

flaws, this was a cute and fun story. At over 400 pages it was surprisingly easy to get through. It's written in a way that makes it easy for a reader to get swept up in it and not want to put it down. One of those books where you find yourself saying, "Just one more chapter, then I will put down."

After spotting him for the first time in over fifteen years, Christina Matteo decides to enact revenge against the man who played a prank on her in high school. It was, after all, the turning point in her young life. She still can't forget the fact that that incident had led to her being put into boarding school. And she still hasn't forgiven the drunken creep Bill Havenwood either. It was time for him to pay. Through a series of events, Christina becomes Bill's fake fiancée. That's fine by her. That way she'll be closer to her 'prey' and get what she wants -all the dirt she can find. And he'll get what he wants. But things are often not what they seem. Maybe Bill is not such a bad guy after all and maybe he's developing some feelings for Christina. And then just maybe Christina soon thinks that this whole get-back-at-you plan is a really bad idea. Could she be falling for him too? A really nice debut. Anyone who enjoys 'revenge' plots in contemporary romance should read this one. Although some of the writing was repetitive and revenge may have gone on too long, I found the characters and their antics (many were hilarious) likable. Bill really grew on me, he did a lot of maturing in my eyes. I also liked how Mara (author) tackled the difficult issue of recovering alcoholism -realistic, instead of being just a fluff piece. The maturation of Christina, a really spunky go-get-em heroine, is done well too. The sparks fly between her and Bill with some really steamy scenes. But I'm not really sure if I preferred their affectionate exchanges over their arguments. Because boy those two have some fights! There are also a set of several interesting secondary characters with Bill's father being my favorite.
